2. No member shall hold conversation with another while a member is speaking in debate, or use electronic devices, including but not limited to personal computers, and telephonic devices, without leave of the Senate.

3. Every member, wishing to speak, shall notify the President. When the member is recognized to speak he shall rise and address the President, and when he has finished shall then sit down.

But if there is no appeal, the decision of the President shall be conclusive.

7. No member shall absent himself without permission from the Senate.

8. When any question is under debate, no motion shall be received but first, to adjourn; second, to lay upon the table; third, for the previous question; fourth, to postpone to a certain day; fifth, to commit; sixth, to amend; and seventh, to postpone indefinitely; which several motions shall have precedence in the order in which they are so arranged. Motions to adjourn, to lay upon the table, for the previous question, and to take from the table shall be decided without debate. Motions to postpone to a certain day shall be debatable both as to time and subject matter. No motion to postpone indefinitely, to postpone to a certain day, or to commit, being decided, shall be in order at the same stage of the bill or resolution, until after adjournment.

9. A question which is postponed indefinitely shall not be acted upon during the biennium except whenever two-thirds of the whole number of elected Senators shall on division taken, vote in favor thereof. Any bill which is indefinitely postponed shall not be reintroduced under cover of an amendment any bill, resolution, order, or committee of conference report. No motion to suspend this rule shall be permitted.

10. Any member may call for a division of the question when the sense will admit it. Unless otherwise specifically provided for, a majority of those present and voting shall be required to pass any vote.

11. When the reading of a paper or document is objected to by a member, the question shall be determined by a vote of the Senate; and without debate.

12. When the nays and yeas have been moved by a member and duly seconded by another member each member present shall declare his assent or dissent to the question, unless for special reason he be excused by the Senate. The names of the persons so making the motion and the second shall be recorded in the Journal. The President shall determine the order of the roll call. No member shall be required to vote in any case where he was not present when the question was put.

13. In case of any disturbance or disorderly conduct in the gallery, the President shall have the power to order the same to be cleared. The Chairman of the Committee of the Whole may restrict attendance to the duly elected Senators.

14. No vote shall be reconsidered, unless the motion for reconsideration is made by a member who voted with the prevailing side. The notice of such motion for reconsideration shall be given to the Senate in open session prior to adjournment on the same day on which the vote was passed, or to the clerk within 2 working busi-

ness days of the vote. Any such notice of reconsideration shall be effective for three legislative days only and thereafter shall be null and void. Reconsideration of any bills subject to a deadline established by Senate rules must be acted upon on or before the Senate rule deadline, and thereafter shall be null and void.

15. Before any petition shall be received and read, a brief statement of the contents thereof shall be made by the member introducing the same.

16. All petitions, memorials and other papers addressed to the Senate and all bills and resolutions to be introduced in the Senate, shall be endorsed with the name of the Senator presenting them, and with the subject matter of the same. Every bill shall be marked on the first page "Senate Bill" and numbered serially; every joint resolution shall be marked "Senate Joint Resolution" and numbered serially; every concurrent resolution proposing a constitutional amendment shall be marked "Concurrent Resolution Proposing a Constitutional Amendment" and numbered serially; and every other concurrent resolution shall be marked "Senate Concurrent Resolution" and numbered serially, as each bill or resolution is introduced into the Senate.

17. All petitions, memorials and other papers addressed to the Senate and all bills and resolutions to be introduced into the Senate shall be delivered or caused to be delivered to the Office of Legislative Services, which in turn will submit it to the sponsor for his signature, and then to the Clerk by Legislative Services. If requested by the sponsor, a proposed bill, resolution or petition shall not be made public, except by the sponsor, until signed by the sponsor. During any adjournment the President may receive bills and resolutions for printing and for reference to committee, provided that no bill shall have a public hearing until it is formally introduced into the Senate, printed and available for distribution.

18. Drafting of Bills

(a) If a drafting request for a bill or resolution has been filed with the office of Legislative Services requiring a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the legislative budget assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal, provided that the identity of the sponsor shall not be disclosed.

(b) Notwithstanding the provisions of 17 (a), (b), and (c), a Senate bill, Senate joint resolutions, or Senate concurrent resolution may be accepted by Legislative Services for drafting and introduced into the Senate at any time prior to the deadline established by Senate Rules for the transfer of bills out of the first body if approved by either a majority of the Senate Rules Committee or a two-thirds vote on the floor

(c) No bill the subject matter of which has been indefinitely postponed or made inexpedient to legislate in the Senate in the first-year session shall be admitted into the second-year session whether as a bill, an amendment, a committee of conference report or in any other manner.

(d) Legislation returned from the non-originating body, with an amendment, shall not be re-referred to Committee but shall have one of the following recommendations: Concur, Nonconcur, Nonconcur and Request a Committee of Conference. Adoption of a motion to Nonconcur kills the legislation.

19. Committees of Conference.

(a) Whenever there be any disagreement between the Senate and the House on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a committee of conference, the President of the Senate shall appoint three members to the Senate conference committee on the bill and the Speaker of the House shall appoint four members to the House conference committee. Exceptions: (1) the House committee of conference on the operating budget shall consist of five members; (2) the number of the members of the committees of conference on any bill may increase or decrease if the President and the Speaker both agree. The two committees of conference on a bill shall meet jointly but vote separately while in conference. A unanimous vote by both committees of conference shall be necessary for an agreed report to the Senate and the House by the committees of conference

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the committees of conference on said bill.

(c) The first-named person on a committee of conference shall be the chairman of that conference. The chairman of the committee of conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting of the committees of conference.

(d) No action shall be taken in either body on any committee of conference report earlier than some subsequent day, after the report has been delivered to the seats or placed on a member's desk. A committee of conference may neither change the title of any bill submitted to it nor add amendments which are not germane to the subject matter of the bill as originally submitted to it.

(e) Conference Committees on Budget Bills. The report of each committee of conference on either the general appropriation bill, or the capital improvements bill shall be printed in the journal or a supplement thereto of the appropriate body before action on said report is taken on the floor. Non-germane amendments, sections and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances. Notwithstanding the general provisions of paragraph (h) of this section, the Conference Committee on general appropriations bill may propose new items for inclu-

sion in said bill but no such item may be so included unless and until it shall have been returned to both the Senate and the House and adopted in identical form by a majority vote in each body.

(f) When both committees of conference on a concurrent resolution proposing an amendment to the constitution have agreed, the committee of conference from the body which acceded to a request for committees of conference shall file its report with the clerk of that body who shall print it in full in the journal or supplement of that body. The report shall be made a special order of business at the late session of a subsequent day. After said report has been adopted by the first body, a message shall be transmitted to the second body which shall then act upon the report of its committee of conference.

(g) The sponsor of any bill or joint resolution referred to committees of conference shall, upon his request, be granted a hearing before said committees prior to action thereon.

(h) No member of a committee of conference shall sign any report that contains non-germane amendments or subject matter that has been indefinitely postponed in either body. For the purposes of this rule, a non-germane amendment would be any subject matter not contained in either the House or the Senate version of the bill.

20. All resolutions which may require the signature of the Governor shall be treated in the same manner as bills.

21. Every bill shall have three readings in the Senate previous to its passage. The first and second readings shall be by title only which may be accomplished by a conglomerate resolution, after which the bill shall be referred by the President to the appropriate committee and shall be printed as provided in Rule 22, unless otherwise ordered by the Senate. No bill after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills and resolutions shall be in the late session unless otherwise ordered by the Senate. The orders of the day for the reading of bills shall hold for every succeeding day until disposed of.

22. After every bill shall have been read a second time, and referred by the President to the appropriate committee, the Clerk shall procure a sufficient number of copies, printed on paper of uniform size, for the use of the legislature, and cause the same to be distributed to the members, and when printed the bill shall be immediately delivered to the committee to which it shall have been referred. Bills received from the House shall be printed at the same stage of their procedure unless they have been printed in the House and copies distributed in the Senate, in which case any amendment made by the House shall be duplicated and distributed in the Senate.

23. No amendment shall be made but upon the second reading of a bill; and all amendments to bills and resolutions shall be in writing, with the name of the Senator and the district he represents, or in the case of a committee amendment the name of the committee that recommended it, thereon. No amendment to any bill shall be proposed or allowed at any time or by any source, including a committee of conference, except it be germane. Amendments shall have been reviewed by the Office of Legislative Services for form, construction, statutory and chapter reference.

24. A hearing shall be held upon each bill referred to a committee, and notice of such hearing shall be advertised at least 4 days before hearing in the Senate Calendar. The Senate Calendar shall be available on the Internet for viewing as soon as it has been released for printing.

(a) All bills in the possession of committees shall be reported out with one of the following recommendations: ought to pass, ought to pass with amendment, re-refer to committee, inexpedient to legislate, or refer for interim study. Re-refer to committee shall be a committee report only in the first-year session. All re-referred bills shall be acted on by the third legislative day of the second year session. Refer for interim study shall be a committee report only in the second year session.

(b) Any legislation creating a chapter study committee shall have membership limited to members of the General Court.

25. When a bill is reported favorably with an amendment, the report of the committee shall state the amendment, and then recite the section of the bill in full as amended. The amendment shall be printed in the senate calendar on the date that the report is listed for action. If no action is taken on that day, then the amendment shall be printed on the day to which the bill has been referred. All bills reported shall be retained by the clerk and shall not be finally acted upon until the following legislative day, and a list of such bills with the report of the committee thereon shall be published in the senate calendar for the day on which action shall be taken.

26. Every bill and joint resolution appropriating money, which has been referred to another committee and favorably accepted by the Senate, shall be committed to the Finance Committee for review. If any such bills have been referred jointly to the Finance Committee and another standing committee, the Finance Committee may report separately and a further public hearing may be held at the discretion of the Finance Committee. All bills appropriating money, which are referred directly to the Finance Committee shall have a hearing.

27. All warrants, subpoenas and other processes issued by order of the Senate shall be under the hand and seal of the President attested by the Clerk.

28. All committees of the Senate, including Senate members on committees of conference, shall consist of members of both parties as nearly equal as possible, provided that on all committees, both parties shall be represented. The President shall appoint the members of all committees, after consulting with the minority leader.

29. The standing committees of the Senate shall be as follows: The Committee on Banks and Insurance, the Committee on Capital Budget, the Committee on Education, the Committee on Energy and Economic Development, the Committee on Environment and Wildlife, the Committee on Executive Departments and Administration, the Committee on Finance, the Committee on Health and Human Services, the Committee on Internal Affairs, the Committee on Judiciary, the Committee on Public and Municipal Affairs, the Committee on Rules and Enrolled Bills, the Committee on Transportation and Interstate Cooperation, and the Committee on Ways and Means.

30. Messages shall be sent to the House of Representatives by the Clerk of the Senate.

31. Messages from the Governor or House of Representatives may be received at all times, except when the Senate is engaged in putting the question, in calling the yeas and nays, or in counting the ballots.

32. All questions shall be put by the President, and each member of the Senate present shall signify his assent or dissent by voting yea or nay, or shall abstain from voting by reason of a conflict pursuant to rule 42. If the President doubts, or a division is called for, the Senate shall divide. Those in the affirmative on the question shall first rise from their seats and stand until they be counted. The President shall rise and state the decision of the Senate.

33. No person except members of the Senate and its officers, the Governor, Council members, the Secretary of State, the Treasurer, the Speaker of the House of Representatives and its officers and clerks, shall be admitted to the floor of the Senate while the Senate is in session, except by the invitation of the President, or some member with the President's consent.

34. The Senate shall adjourn to meet on the subsequent legislative day for the early session at the time mentioned in the adjournment motion. The late session shall immediately follow the early session unless the Senate shall otherwise order.

35. No standing rule of the Senate shall be suspended unless two-thirds of the members present and voting vote in favor thereof. This rule shall not apply to Senate Rule 9.

36. No rule shall be rescinded unless two days notice of the motion has been given and two-thirds of those present and voting vote therefore.

37. The Senate may resolve itself into a Committee of the Whole at any time on motion made for that purpose; and in forming a Committee of the Whole, the President shall leave the chair, and appoint a chairperson to preside in committee.

38. The President when performing the duties of the Chair may, at any time, name any member to perform the duties of the Chair.

39. The staff of the Senate shall be comprised of a clerk, an assistant clerk, a sergeant-at-arms, and a doorkeeper who are to be elected by the Senate, and such other personnel as the President shall appoint. The President shall define the duties of all members of the Senate staff which are not fixed by statute or otherwise ordered by the Senate.

40. Each member of the staff of the Senate shall be available on call to carry out the work of the Senate.

41. The committees shall promptly consider and report on all matters referred to them. The President may authorize such committees having a heavy load of investigation, re-drafting, research or amendments to meet as needed on non-legislative days during the legislative session. The Clerk of the Senate shall prepare a list by number, title and sponsor of all Senate bills and resolutions in committee which have not been acted upon within one week before the deadline established for the transfer of bills and resolutions from the Senate to the House of Representatives, and he/she shall distribute this list to every member of the Senate as soon as it is prepared.

42. In all instances every member shall act in conformance with the duly adopted Ethical Guidelines and Opinions of the New Hampshire General Court.

43. Action on the floor of a report of the Committee on Finance or a Committee of Conference on either the general appropriations (budget) bill or the capital budget bill, shall not be taken by the Senate, until said report has been available from the Senate Clerk twenty-four hours in advance, in written form. Non-germane amendments and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances.

44. Personal Privilege: A Senator may, as a matter of personal privilege, defend his/her position on a bill, his/her integrity, his/her record, or his/her conduct, against unfair or unwarranted criticism, or may speak of an issue which relates to his/her rights, privileges or conveniences as a Senator; provided, however, the matters raised under personal privilege shall not be subject to questioning, answer, or debate, by another Senator. Personal Privilege remarks may be included in the Daily Journal if requested by the Senator, and in the Permanent Journal by vote of the Senate. A Senator may speak on other matters of his/her choosing and in such cases may be subject to questioning and/or answer according to the Rules of the Senate.

45. Any appeal from the ruling of the presiding officer shall be decided by majority vote of the members present and voting.

46. No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

47. No officer or employee of the Senate during the session or any adjournment thereof shall purchase or contract for the purchase, pay or promise to pay any sum of money on behalf of the Senate or issue any requisition or manifest without the approval of the Senate President.'

DEFINITIONS

Resolutions: four types.

DUTIES OF THE SPEAKER

1. The Speaker shall take the chair at precisely the hour to which the House has adjourned and shall immediately call the members to order.

2. The Speaker shall preserve decorum and order, may speak on points of order in preference to other members, and shall decide questions of order. The decision of the Speaker on a question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting.

3. The Speaker shall appoint all committees unless otherwise directed by the House, subject to the provisions of Rule 28.

4. The Speaker shall refer all bills, resolutions, memorials, petitions, accounts, and other matters coming before the House to the appropriate committees, unless otherwise ordered by the House. The Speaker may refer the same jointly to two committees or to a special committee.

5. The Speaker shall not be called on to vote unless the vote would be decisive. If the vote is tied after the Speaker has voted, the question shall be lost as provided in Rule 23.

6. The Speaker shall sign all bills, resolutions, and addresses after passage or enrollment. All warrants, subpoenas and other processes issued by order of the House shall be signed by the Speaker and attested to by the Clerk.

7. The Speaker or chairman of the committee of the whole House shall have the power to order the gallery cleared in cases of any disturbance or disorderly conduct.

8. The Speaker shall have power to substitute any member to perform the duties of the Chair. If absent, the Speaker shall designate a member to perform the duties of the Chair unless otherwise ordered by the House.

DECORUM AND DEBATE

9. When the House is called to order, members shall take their seats and shall activate their voting stations immediately. When they leave their seats for any reason they shall deactivate their stations.

10. In all cases not provided for by the Constitution, House Rules or Joint Rules, Mason's Manual of Legislative Procedure, 2000 Edition, shall be the parliamentary guide.

11. When any member is about to speak in debate, make a motion, or deliver any matter to the House, the member shall rise from his or her seat and respectfully address the Speaker, declaring the purpose for which the member rises to speak.

12. In all cases the member rising first shall speak first. When two or more members rise at the same time, the Speaker shall name the person to speak. When many members choose to speak, they may file their names with the Clerk, who shall supply the list to the Speaker. The Speaker shall name the order in which the members shall speak.

13. No member shall speak more than twice on the same question without permission from the House. No member shall speak more than once until every member choosing to speak has spoken.

14. While the Speaker is putting a question or addressing the House, no one shall walk out of or across the House. While a member is speaking, no one shall pass between that member and the other members of the House, nor shall anyone engage in private conversation.

15. If any member transgresses the rules of the House, the Speaker shall, or any member may, call the member to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated by the Speaker.

16. In all instances, every member shall act in conformance with the duly adopted New Hampshire General Court Ethics Guidelines and opinions of the Legislative Ethics Committee.

17. (a) The following persons shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session: House members and officers, the Governor, Council members, the Secretary of State, the Treasurer, the President of the Senate and the Senate Clerks.

(b) No other person shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session, except with the permission of the Speaker.

18. Before any petition is received and read, the substance of the petition shall be in concise form, and the name of the person presenting it shall be recorded on the petition. The Speaker shall state the substance of the petition.

19. After a motion is stated by the Speaker, it shall be in possession of the House, but may be withdrawn at any time before an amendment.

20. (a) When any question is under debate, precedence of motions shall be as follows:

(1) to adjourn;
(2) to lay on the table;
(3) for the previous question;
(4) to postpone to a certain day;
(5) to commit;
(6) to amend;
(7) to postpone indefinitely.

Motions to adjourn, to lay on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter.

(b) No vote on a motion to lay on the table a Constitutional Amendment Concurrent Resolution shall pass unless approved by an affirmative vote of three-fifths of the entire House membership.

(c) When a question is postponed indefinitely, it shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

(d) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

21. (a) The Speaker shall put the previous question in the following form: "Shall debate now be limited?" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question.

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

22. There shall be three forms of deciding the question: voice vote, division vote, roll call vote. No member shall vote in any case when the member was not present when the question was put.

(a) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

(b) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote. When a division of the House is taken, the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

(c) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by 10 other members. The member requesting the roll call vote and the 10 members who second the motion shall notify the clerk in writing or shall rise from their seats or otherwise be recognized by the Speaker.

(d) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each

member present at his or her voting station shall press either the YES (Green) or NO (Red) button unless excused by the House for a special reason. After closing the vote, the Speaker shall rise and state the decision of the House.

23. In case of a tie vote, the question shall be lost.

24. No member shall leave his or her seat while the voting machine is in use and until the Speaker announces the result of the vote.

25. No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House.

If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and mediate an agreement for the filing of a single bill. Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the original sponsor withdraws the drafting request prior to the sign-off deadline.

(c) Notwithstanding (a) and (b), legislation may be drafted and introduced upon receiving approval of a majority vote of the House Rules Committee on the request of any member based on urgent or compelling need or events unforeseen prior to the filing deadline, or on the request of the majority of any policy committee, or by a two-thirds vote of those House members present and voting.

A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, made the subject of a statutory study committee in the first-year session, or retained in committee for action, unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

Other House members may be added as co-sponsors by notifying the Clerk prior to the date of the first public hearing on the proposal, and their names shall be recorded in the permanent journal of that session.

(e) If a drafting request for a bill or resolution, filed with the Office of Legislative Services, requires a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the Legislative Budget Assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal.

The Director of the Office of Legislative Services may withdraw any legislation when the sign-off deadline has not been met. The sponsor's name shall be published at least once on the "signatures needed" list in the House Calendar within the sign-off period. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for introduction within 10 calendar days after

(c) If the primary sponsor signs the legislation in time for introduction, but one or more co-sponsors fails to sign, the legislation shall be introduced in the names of those sponsors who have signed. If the primary sponsor fails to sign the legislation in time for introduction, a co-sponsor may become the primary sponsor. If the primary sponsor fails to sign, and no co-sponsor wishes to become the primary sponsor, the legislation may not be introduced.

DEFINITIONS

RESOLUTIONS

Resolutions are the formal expressions of the opinions and wishes of the legislature. There are four types: joint resolutions, concurrent resolutions, simple resolutions, and constitutional amendment-concurrent resolutions (CACRs). Joint resolutions, concur-

rent resolutions and CACRs must be approved by both branches of the legislature, while simple resolutions are considered only by the body of introduction. All resolutions take effect upon passage, so they often are used to meet emergency situations.

(a) **JOINT RESOLUTION:**

A joint resolution is one which has the force and effect of law, and as such must pass both the house and senate and be signed by the governor. The constitution, Pt. II, Art. 45, provides that joint resolutions shall be treated as bills.

Joint resolutions are introduced and considered in the same manner as bills, except that they can only be used for temporary provisions. Joint resolutions cannot be used to amend the public or private laws of New Hampshire (the RSA or the session laws), but they can be used to appropriate money for limited purposes; to establish temporary study committees; and to make adjustments in the state retirement system for certain individuals. Because a joint resolution is effective upon passage, it is useful for supplemental or deficiency appropriations, but such appropriations may not extend beyond the second fiscal year of the biennium. As with other appropriations, if a resolution makes an appropriation from the general fund the governor must be authorized to draw [his] a warrant for the sums appropriated.

(b) **CONCURRENT RESOLUTION**:

A concurrent resolution is acted on by the house or senate and sent to the other house for approval but is not sent to the governor for signature. Therefore, it does not have the effect of a law, and it is important to note that it can not be used to appropriate money. Concurrent resolutions may be used to put the legislature on record as supporting or disavowing some aspect of national or state policy. Also, a concurrent resolution may be utilized to express appreciation to some individual or group.

(c) **SIMPLE RESOLUTION**:

A simple resolution is one which is considered by the legislative body in which it is introduced and is of interest to only that body. Neither house nor senate resolutions have the effect of law. They are written to show appreciation to some individual or group, to ask the supreme court for an advisory opinion on a bill originating in that body, to express sympathy for an individual's death or illness, or, in a lighter vein, to commemorate an event affecting one of the members.

(d) **CONSTITUTIONAL AMENDMENT-CONCURRENT RESOLUTION:**

An amendment to the constitution may be proposed by the legislature, as well as a constitutional convention. N. H. Const. Pt. 2, Art. 100. Each body must approve the CACR by a three-fifths vote of the entire membership, then be submitted to the voters at the next biennial November election. The CACR must be approved by two-thirds of the qualified voters present and voting.

PART FIRST
BILL OF RIGHTS

Article 1. [Equality of Men; Origin and Object of Government.]. All men are born equally free and independent; therefore, all government of right originates from the people, is founded in consent, and instituted for the general good.

June 2, 1784*

[Art.] 2. [Natural Rights.] All men have certain natural, essential, and inherent rights - among which are, the enjoying and defending life and liberty; acquiring, possessing, and protecting, property; and, in a word, of seeking and obtaining happiness. Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin.

June 2, 1784

Amended 1974 adding sentence to prohibit discrimination.

[Art.] 2-a. [The Bearing of Arms.]. All persons have the right to keep and bear arms in defense of themselves, their families, their property and the state.

December 1, 1982

[Art.] 3. [Society, its Organization and Purposes.] When men enter into a state of society, they surrender up some of their natural rights to that society, in order to ensure the protection of others; and, without such an equivalent, the surrender is void.

June 2, 1784

[Art.] 4. [Rights of Conscience Unalienable.] Among the natural rights, some are, in their very nature unalienable, because no equivalent can be given or received for them. Of this kind are the Rights of Conscience.

June 2, 1784

[Art.] 5. [Religious Freedom Recognized.] Every individual has a natural and unalienable right to worship God according to the dictates of his own conscience, and reason; and no subject shall be hurt, molested, or restrained, in his person, liberty, or estate, for worshipping God in the manner and season most agreeable to the dictates of his own conscience; or for his religious profession, sentiments, or persuasion; provided he doth not disturb the public peace or disturb others in their religious worship.

June 2, 1784

* The date on which each article was proclaimed as having been adopted is given after each article. This is followed by the year in which amendments were adopted and the subject matter of all the amendments.

[Art.] 6. [Morality and Piety.] As morality and piety, rightly grounded on high principles, will give the best and greatest security to government, and will lay, in the hearts of men, the strongest obligations to due subjection; and as the knowledge of these is most likely to be propagated through a society, therefore, the several parishes, bodies corporate, or religious societies shall at all times have the right of electing their own teachers, and of contracting with them for their support or maintenance, or both. But no person shall ever be compelled to pay towards the support of the schools of any sect or denomination. And every person, denomination or sect shall be equally under the protection of the law; and no subordination of any one sect, denomination or persuasion to another shall ever be established.

June 2, 1784

Amended 1968 to remove obsolete sectarian references.

[Art.] 7. [State Sovereignty.] The people of this state have the sole and exclusive right of governing themselves as a free, sovereign, and independent state; and do, and forever hereafter shall, exercise and enjoy every power, jurisdiction, and right, pertaining thereto, which is not, or may not hereafter be, by them expressly delegated to the United States of America in congress assembled.

June 2, 1784

[Art.] 8. [Accountability of Magistrates and Officers; Public's Right to Know.] All power residing originally in, and being derived from, the people, all the magistrates and officers of government are their substitutes and agents, and at all times accountable to them. Government, therefore, should be open, accessible, accountable and responsive. To that end, the public's right of access to governmental proceedings and records shall not be unreasonably restricted.

June 2, 1784

Amended 1976 by providing right of access to governmental proceedings and records.

[Art.] 9. [No Hereditary Office or Place.] No office or place, whatsoever, in government, shall be hereditary - the abilities and integrity requisite in all, not being transmissible to posterity or relations.

June 2, 1784

[Art.] 10. [Right of Revolution.] Government being instituted for the common benefit, protection, and security, of the whole community, and not for the private interest or emolument of any one man, family, or class of men; therefore, whenever the ends of government are perverted, and public liberty manifestly endan-

gered, and all other means of redress are ineffectual, the people may, and of right ought to reform the old, or establish a new government. The doctrine of nonresistance against arbitrary power, and oppression, is absurd, slavish, and destructive of the good and happiness of mankind.

June 2, 1784

[Art.] 11. [Elections and Elective Franchises.] All elections are to be free, and every inhabitant of the state of 18 years of age and upwards shall have an equal right to vote in any election. Every person shall be considered an inhabitant for the purposes of voting in the town, ward, or unincorporated place where he has his domicile. No person shall have the right to vote under the constitution of this state who has been convicted of treason, bribery or any willful violation of the election laws of this state or of the United States; but the supreme court may, on notice to the attorney general, restore the privilege to vote to any person who may have forfeited it by conviction of such offenses. The general court shall provide by law for voting by qualified voters who at the time of the biennial or state elections, or of the primary elections therefor, or of city elections, or of town elections by official ballot, are absent from the city or town of which they are inhabitants, or who by reason of physical disability are unable to vote in person, in the choice of any officer or officers to be elected or upon any question submitted at such election. Voting registration and polling places shall be easily accessible to all persons including disabled and elderly persons who are otherwise qualified to vote in the choice of any officer or officers to be elected or upon any question submitted at such election. The right to vote shall not be denied to any person because of the non-payment of any tax. Every inhabitant of the state, having the proper qualifications, has equal right to be elected into office.

June 2, 1784

Amended 1903 to provide that in order to vote or be eligible for office a person must be able to read the English language and to write.

Amended 1912 to prohibit those convicted of treason, bribery or willfull violation of the election laws from voting or holding elective office.

Amended 1942 to provide for absentee voting in general elections. Amended 1956 to provide for absentee voting in primary elections.

Amended 1968 to provide right to vote not denied because of nonpayment of taxes. Also amended in 1968 to delete an obsolete phrase.

Amended 1976 to reduce voting age to 18.

Amended 1984 to provide accessibility to all registration and polling places.

[Art.] 12. [Protection and Taxation Reciprocal.] Every member of the community has a right to be protected by it, in the enjoyment of his life, liberty, and property; he is therefore bound to contribute his share in the expense of such protec-

tion, and to yield his personal service when necessary. But no part of a man's property shall be taken from him, or applied to public uses, without his own consent, or that of the representative body of the people. Nor are the inhabitants of this state controllable by any other laws than those to which they, or their representative body, have given their consent.

June 2, 1784

Amended 1964 by striking out reference to buying one's way out of military service.

[Art.] 13. [Conscientious Objectors not Compelled to Bear Arms.] No person, who is conscientiously scrupulous about the lawfulness of bearing arms, shall be compelled thereto.

June 2, 1784

Amended 1964 by striking out reference to buying one's way out of military service.

[Art.] 14. [Legal Remedies to be Free, Complete, and Prompt.] Every subject of this state is entitled to a certain remedy, by having recourse to the laws, for all injuries he may receive in his person, property, or character; to obtain right and justice freely, without being obliged to purchase it; completely, and without any denial; promptly, and without delay; conformably to the laws.

June 2, 1784

[Art.] 15. [Right of Accused.] No subject shall be held to answer for any crime, or offense, until the same is fully and plainly, substantially and formally, described to him; or be compelled to accuse or furnish evidence against himself. Every subject shall have a right to produce all proofs that may be favorable to himself; to meet the witnesses against him face to face, and to be fully heard in his defense, by himself, and counsel. No subject shall be arrested, imprisoned, despoiled, or deprived of his property, immunities, or privileges, put out of the protection of the law, exiled or deprived of his life, liberty, or estate, but by the judgment of his peers, or the law of the land; provided that, in any proceeding to commit a person acquitted of a criminal charge by reason of insanity, due process shall require that clear and convincing evidence that the person is potentially dangerous to himself or to others and that the person suffers from a mental disorder must be established. Every person held to answer in any crime or offense punishable by deprivation of liberty shall have the right to counsel at the expense of the state if need is shown; this right he is at liberty to waive, but only after the matter has been thoroughly explained by the court.

June 2, 1784

Amended 1966 to provide the right to counsel at state expense if the need is shown.

Amended 1984 reducing legal requirement proof beyond a reasonable doubt to clear and convincing evidence in insanity hearings.

[Art.] 16. [Former Jeopardy; Jury Trial in Capital Cases.] No subject shall be liable to be tried, after an acquittal, for the same crime or offense. Nor shall the legislature make any law that shall subject any person to a capital punishment, (excepting for the government of the army and navy, and the militia in actual service) without trial by jury.

June 2, 1784

[Art.] 17. [Venue of Criminal Prosecutions.] In criminal prosecutions, the trial of facts, in the vicinity where they happened, is so essential to the security of the life, liberty and estate of the citizen, that no crime or offense ought to be tried in any other county or judicial district than that in which it is committed; except in any case in any particular county or judicial district, upon motion by the defendant, and after a finding by the court that a fair and impartial trial cannot be had where the offense may be committed, the court shall direct the trial to a county or judicial district in which a fair and impartial trial can be obtained.

June 2, 1784

Amended 1792 to change "assembly" to: legislature.

Amended 1978 so that court at defendant's request may change trial to another county or judicial district.

[Art.] 18. [Penalties to be Proportioned to Offenses; True Design of Punishment.] All penalities ought to be proportioned to the nature of the offense. No wise legislature will affix the same punishment to the crimes of theft, forgery, and the like, which they do to those of murder and treason. Where the same undistinguishing severity is exerted against all offenses, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do the lightest offenses. For the same reason a multitude of sanguinary laws is both impolitic and unjust. The true design of all punishments being to reform, not to exterminate mankind.

June 2, 1784

Amended 1792 deleting "those of" after do in 3d sentence and changing "dye" to: offenses.

[Art.] 19. [Searches and Seizures Regulated.] Every subject hath a right to be secure from all unreasonable searches and seizures of his person, his houses, his papers, and all his possessions. Therefore, all warrants to search suspected places, or arrest a person for examination or trial in prosecutions for criminal matters, are contrary to this right, if the cause or foundation of them be not previously supported by oath or affirmation; and if the order, in a warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons or to seize their

property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure; and no warrant ought to be issued; but in cases and with the formalities, prescribed by law.

June 2, 1784

Amended 1792 to change order of words.

[Art.] 20. [Jury Trial in Civil Causes.] In all controversies concerning property, and in all suits between two or more persons except those in which another practice is and has been customary and except those in which the value in controversy does not exceed $1,500 and no title to real estate is involved, the parties have a right to a trial by jury. This method of procedure shall be held sacred, unless, in cases* arising on the high seas and in cases relating to mariners' wages, the legislature shall think it necessary hereafter to alter it.

June 2, 1784

Amended in 1877 to prohibit jury trials unless the amount in controversy exceeds $100.

Amended in 1960 to increase the amount to $500 before a jury trial may be requested.

*"Cases" appears in 17921 parchment copy of constitution. Original constitution had "causes."

Amended in 1988 to change $500 to $1,500

[Art.] 21. [Jurors; Compensation.] In order to reap the fullest advantage of the inestimable privilege of the trial by jury, great care ought to be taken, that none but qualified persons should be appointed to serve; and such ought to be fully compensated for their travel, time and attendance.

June 2, 1784

[Art.] 22. [Free Speech; Liberty of the Press.] Free speech and liberty of the press are essential to the security of freedom in a state: They ought, therefore, to be inviolably preserved.

June 2, 1784

Amended 1968 to include free speech.

[Art.] 23. [Retrospective Laws Prohibited.] Retrospective laws are highly injurious, oppressive, and unjust. No such laws, therefore, should be made, either for the decision of civil causes, or the punishment of offenses.

June 2, 1784

[Art.] 24. [Militia.] A well regulated militia is the proper, natural, and sure defense, of a state.

June 2, 1784

[Art.] 25. [Standing Armies.] Standing armies are dangerous to liberty, and ought not to be raised, or kept up, without the consent of the legislature.

June 2, 1784

[Art.] 26. [Military Subject to Civil Power.] In all cases, and at all times, the military ought to be under strict subordination to, and governed by, the civil power.

June 2, 1784

[Art.] 27. [Quartering of Soldiers.] No soldier in time of peace, shall be quartered in any house, without the consent of the owner; and in time of war, such quarters ought not to be made but by the civil authorities in a manner ordained by the legislature.

June 2, 1784

Amended in 1980 substituting "authorities" for "magistrate."

[Art.] 28. [Taxes, by Whom Levied.] No subsidy, charge, tax, impost, or duty, shall be established, fixed, laid, or levied, under any pretext whatsoever, without the consent of the people, or their representatives in the legislature, or authority derived from that body.

June 2, 1784

[Art.] 28-a. [Mandated Programs.] The state shall not mandate or assign any new, expanded or modified programs or responsibilities to any political subdivision in such a way as to necessitate additional local expenditures by the political subdivision unless such programs or responsibilities are fully funded by the state or unless such programs or responsibilities are approved for funding by a vote of the local legislative body of the political subdivision.

November 28, 1984

[Art.] 29. [Suspension of Laws by Legislature Only.] The power of suspending the laws, or the execution of them, ought never to be exercised but by the legislature, or by authority derived therefrom, to be exercised in such particular cases only as the legislature shall expressly provide for.

June 2, 1784

III. The declaration required in subparagraphs II (a) and (b) of this procedure shall be publicly announced prior to the legislator's initial participation in the official activity. The information required in subparagraph (b) shall be filed with the clerk of the member's respective body within 24 hours of the time of the official activity and be made available for public inspection during normal business hours.

6 LEGISLATIVE EMPLOYEE CODE OF CONDUCT.

(b) A legislative employee or officer should act in a way that makes him or her worthy of the trust the General Court places in staff members and officers.

(c) A legislative employee or officer should provide objective advice, information, and alternatives to legislators, independent of the employee's or officer's personal beliefs or interests or the interests of third parties. A legislative employee or officer should avoid activities that conflict with this objectivity or give the appearance of conflict.

(d) A legislative employee or officer should treat all legislators with dignity and respect, and provide services of equal quality to the employee's or officer's appropriate legislative clientele.

II. Definitions.

(a) "Legislative employee" includes all house, senate, and joint staff whether employed on a part-time, full-time, permanent or temporary basis.

(b) "Legislative officer" includes those employees of the House and Senate who are elected by members of the General Court.

III. Prohibited Activities.

(a) A legislative employee or officer shall not accept any gift from givers who wish to influence the work activities of the employee or officer. A legislative employee or officer shall not accept any employment or serve in any position, in addition to legislative employment, which would impair the employee's or officer's independence of judgment. Nothing in this paragraph should be construed to prohibit the following:

All such reports shall be forwarded to the Chief of Staff of the House, the Chief of Staff of the Senate, the Director of the Office of Legislative Services, or Legislative Budget Assistant, as appropriate.

ADVISORY OPINIONS

1991 - #1 (December 23, 1991)

The Committee will not consider complaints received alleging violations of the Ethics Guidelines if the alleged violation occurred prior to the establishment of the Guidelines.

1991 - #2 (December 23, 1991)

The Committee recognizes that legislators and officers may require a period of time to review and become familiar with the Ethics Guidelines. Accordingly, the Committee encourages legislators and officers to review and become familiar with the Guidelines, and if any violations are noted, to take action to promptly and satisfactorily remedy them.

1991 - #3 (December 23, 1991)

The Financial Disclosure Form required under Section 3 will not be due for the first time until January 15, 1993, for the previous calendar year.

* * * * *

1992 - #1 (March 9, 1992)

The prohibition set forth in Section 4, I does not extend to the receipt by a legislator of anything of value on behalf of an entity in which the legislator has no financial interest as defined in Section 2, III.

1992 - #2 (March 9, 1992)

The definition of anything of value does not include the receipt of discounts so long as such discounts are offered to legislators generally, including those from other states.

1992 - #3 (April 27, 1992)

[This Advisory Opinion (regarding membership in the New Hampshire Retirement System) has been superseded by Advisory Opinion 1998 - #2.]

* * * * *

1993 - #1 (October 13, 1993)

In response to a request for an interpretation as to the application of Section 4, VII(f) of the Ethics Guidelines as it applies to testimonials held for legislators, the Committee determined that the limit contained therein, i.e., less than $250.00 in aggregate from any single source in any calendar year, does apply to receipts from testimonials. In reaching this determination, the Committee has utilized the definition of testimonial as set forth in RSA 15-B:1, IV, and further adopts the procedure followed by the Secretary of State in administering RSA 15-B, i.e., for purposes of the limit, the cost of staging the testimonial may be deducted from the total price of tickets or charge for attendance.

1996 - #1 (March 27, 1996)

[This Advisory Opinion (regarding ownership of land subject to current use assessment) has been superseded by Advisory Opinion 1998 - #2.]

1996 - #2 (November 18, 1996)

In response to inquiries received by the Committee regarding permissible activity of legislative employees, the Committee issues the following advisory:

The Guidelines prohibit a legislative employee from accepting a gift from one who wishes to influence the work activities of the employee, unless the gift is of minimal value, and also prohibit such an employee from accepting anything of value for his/her private benefit if it can be reasonably inferred that the employee's independence of judgment is impaired thereby or the gift is intended as a reward for any official action (Section 6, III(a) and (c), respectively). The inquiries dealt with examples such as receptions at which food and beverages are served free of charge, all legislators and staff having been invited by individual invitations or general calendar notice, testimonial receptions or dinners for which tickets are available without charge from legislators or lobbyists, receptions or dinners without charge at a New Hampshire company's place of business to which all legislators and staff are invited, and other sporting or social entertainment events for which legislators or staff are given tickets without charge.

In view of the referenced guideline provisions, the evaluation of whether an event is of "minimal value" must be made on an individualized basis, although most receptions and dinners would fall within this limitation. Moreover, if all staff were invited, there would likely be no impairment of individual judgment or intended reward, and therefore no likely violation of the Guidelines. Conversely, as the value of the event increases, or the scope of invited staff persons decreases, the prohibitions of the Guidelines are implicated, and the staff person should seek guidance from his/her supervisor. Payment of fair value for the event would obviate any possible violation of the Guidelines.

In sum, if a staff person receives a gift or an invitation to an event, the value of which is more than minimal, or the gift is specifically and directly given to that individual, either exclusively or as one of a small group of individuals, it may be a violation of the Guidelines. The Committee is available to provide advice with respect to specific situations as they arise.

1998 - #1 (May 12, 1998)

The Legislative Ethics Committee received a request for an Advisory Opinion concerning the participation of legislators, legislative officers, and legislative employees in fundraising activities associated with nonprofit organizations or commercial activities when such activities take place on state government property or use state-provided services or facilities. The Committee held hearings to receive input on March 18, 1998 and April 16, 1998 and reached the following conclusions.

The Committee considered whether legislative staff could participate in taking orders from legislators or staff on behalf of commercial enterprises during work hours. The issue of solicitations made by staff on behalf of for-profit organizations would in most cases fall under the jurisdiction of the Joint Committee on Legislative Facilities (RSA 17-E) and the employees' supervisors.

Ethics Guidelines Section 4, IV, which provides, "Legislators shall not use state-provided services or facilities for private gain," would prohibit legislators from advancing their commercial interests through the use of staff or other state-provided services or facilities.

The Ethics Guidelines would not appear to generally prohibit solicitations by members on behalf of nonprofit organizations. The issue of solicitations made by staff on behalf of nonprofit organizations would in most cases fall under the jurisdiction of the Joint Committee on Legislative Facilities (RSA 17-E) and the employees' supervisors.

The Committee is sensitive to possible conflicts of interest which could arise and potentially constitute a violation of the Ethics Guidelines, but until there is a specific case, the Committee declines to issue any further advice.

1998 - #2 (October 6, 1998)

The Legislative Ethics Committee received and reviewed a request for an Advisory Opinion to provide guidance for legislators for complying with the financial disclosure and conflict of interest disclosure provisions of the Ethics Guidelines.

Ethics Guidelines Section 3, Legislator's Financial Disclosure Form, requires every legislator to file a Financial Disclosure Form with the Office of the Secretary of State on or before January 31 of each year.

The form consists of two sections. Completion of Section 1 of the form, which requires a legislator to identify sources of income in excess of $10,000 during the preceding calendar year, is mandatory. Completion of Section 2 of the form, which affords a legislator the opportunity to disclose and describe any financial interest that the legislator or legislator's spouse may have in certain businesses, professions, occupations, groups, or matters, is optional. Section 2 of the form is intended to eliminate the requirement in most circumstances for a legislator to file a specific Declaration of Intent Form, as provided in Ethics Guidelines Section 5, at the time of participation in any official activity in which a legislator has a potential conflict of interest.

Conflicts of interest, as defined for legislators in Ethics Guidelines Section 2, exist when a legislator's participation in any legislative activity has a direct material financial effect upon the legislator, or the legislator's spouse, which is distinguishable from its effect upon the general public. It is the responsibility of legislators to recognize when a conflict of interest exists and to act accordingly through the use of the appropriate disclosure procedure.

There are three ways for a legislator to comply with the disclosure provisions of the Ethics Guidelines.

Option #1: Completion of Section 2 of the Legislator's Financial Disclosure Form. The so-called "checklist" allows a general disclosure of a legislator's financial interests in certain issues likely to come before the General Court. Although disclosure of financial interests on the checklist would satisfy the Ethics Guidelines' disclosure requirements in most circumstances, it will not relieve a legislator from the requirement of filing a specific Declaration of Intent Form if a legislator's participation in pending legislation or other official activities could reasonably be expected to result in any benefit that is either: (1) limited to the legislator or the legislator's spouse (or a small group which includes the legislator or the legislator's spouse); or (2) of a significantly greater magnitude than would result to other individuals with similar financial interests. In such cases, the legislator must choose either Option #2 or Option #3.

Option #2: Filing a Declaration of Intent Form and indicating "I will participate." When a legislator becomes aware that participation

in an official activity could reasonably be expected to result in any benefit that is either limited to the legislator or the legislator's spouse (or a small group which includes the legislator or the legislator's spouse) or is of a significantly greater magnitude than would result to other individuals with similar financial interests, the legislator must file a Declaration of Intent Form. On the form, a legislator may elect to declare an intention to participate in the activity but must detail the nature of the conflict of interest in order to do so. Use of the Declaration of Intent Form is also required for disclosure of any conflicts of interest which have occurred subsequent to filing the checklist form in January of the current year.

Option #3: Filing a Declaration of Intent Form and indicating "I will not participate." When a legislator becomes aware that participation in an official activity could reasonably be expected to result in any benefit that is either limited to the legislator or the legislator's spouse (or a small group which includes the legislator or the legislator's spouse) or is of a significantly greater magnitude than would result to other individuals with similar financial interests, the legislator must file a Declaration of Intent Form and may elect to abstain from participation in any activity relating to the issue. The decision to participate or not to participate is solely that of each individual legislator. The greater the perceived financial benefit is to the legislator, however, the more seriously the legislator may want to consider electing not to participate.

The Committee believes that the following hypothetical examples may be helpful in understanding the conflict of interest disclosure procedure and choosing an appropriate disclosure option:

(1) The legislator owns a restaurant and has disclosed this financial interest by checking the box in checklist category "(i) restaurants and lodging" and writing on the line below "My wife and I own a restaurant." There is a bill before the legislature to raise the Rooms & Meals Tax generally. The legislator is not required to file a specific Declaration of Intent Form before voting on or participating in any official activity relating to the bill because the legislator's generic disclosure on the checklist adequately covers this legislation which is of a general nature.

(2) The legislator is a lawyer and a partner/owner of a two-person law firm. The legislature is considering one bill relating to the Business Enterprise Tax and another relating to the regulation of lawyers. The legislator has disclosed the financial interest in checklist categories: "(k) the practice of law," and "(q) New Hampshire Taxes: Business Enterprise Tax." As in the example above, no filing of a specific Declaration of Intent Form is required because these generic disclosures on the checklist adequately cover these general pieces of legislation.

(3) The legislator is a member or beneficiary of the New Hampshire Retirement System and has disclosed this financial interest in checklist category "(g) the New Hampshire Retirement System." Advisory Opinion 1992 - #3 and this opinion hold that membership in or receiving a benefit from the System constitutes a conflict of interest with respect to any proposed legislation, or other official activity, which would affect the amount or timing of benefits payable by the System to the legislator or the legislator's spouse or the amount or timing of contributions required to be made to the System by the legislator or the legislator's spouse. The legislature is considering a bill to increase the state's contribution to the System for all members or affected group members or beneficiaries. The legislator stands to derive a direct financial benefit from passage of this legislation, however, this benefit would presumably be no greater than the benefit derived by the many other members of the System throughout the state. Therefore, the legislator's disclosure of membership in or being a beneficiary of the System on the checklist would satisfy the requirements of the Ethics Guidelines' disclosure provisions in this example. Although not required, the legislator may elect to file a Declaration of Intent Form and declare an intention to participate or not participate. The greater the perceived financial benefit is to the legislator, the more seriously the legislator may want to consider choosing these options.

(4) The legislator owns land subject to current use assessment. Advisory Opinion 1996 - #1 has previously held that the current use tax system constitutes a financial interest, and therefore a

potential conflict of interest, with respect to any official activity pertaining to the tax. The legislature is considering a bill to change the definition of open space land and the method used to assess it. This bill would potentially affect the financial benefit of current use land ownership for every owner of land in current use. The legislator has disclosed the ownership of land in current use by checking the box in checklist category "(h) the current use land assessment program" and writing on the line below "I own 25 acres in current use." This disclosure would be sufficient in most cases given the large number of individuals in the state owning land subject to current use assessment and the probability that the financial benefit or detriment of the bill would affect all such landowners similarly. As in the example above, the legislator may elect to file a Declaration of Intent Form and declare an intention to participate or not participate. The greater the perceived financial benefit is to the legislator, the more seriously the legislator may want to consider choosing these options.

(5) The legislator is an attorney who represents an electric utility. The legislature is considering one bill relating to the Public Utilities Commission and another relating to the regulation of electric utilities. The legislator has disclosed the financial interest in checklist category "(k) the practice of law." This disclosure would be sufficient if the legislator receives very little income from the utility. If, however, the legislator receives a significant income from the utility, the legislator must in addition either: (1) check checklist category "(l) any business regulated by the Public Utilities Commission" and disclose the name of the utility; or (2) file a specific Declaration of Intent Form for each of the two bills. As a practical matter, the legislator may not want to disclose on the checklist the names of all businesses with whom the legislator deals. Accordingly, the usual and preferred course would be to file a Declaration of Intent Form as the need arises. In some circumstances, the legislator may consider declining to participate, depending on the nature of the legislator's relationship with the utility, the amount of income generated, and the terms of the legislation.

(6) The legislator is a developer and has disclosed this financial interest in checklist category "(d) real estate, including brokers, agents, developers, and landlords." There is a bill to construct a new exit ramp off of a state highway. The legislator owns a parcel of land the value of which would be directly affected by construction of the exit ramp. Because the legislator stands to benefit directly from this specific legislation, the legislator's generic disclosure on the checklist form is inadequate. The legislator in this example must also file a specific Declaration of Intent Form and declare an intention to participate or not participate.

(7) The legislator is not a developer or professional Realtor and therefore has not made any disclosure in checklist category "(d)" or elsewhere on the checklist regarding a parcel of land owned by the legislator. The bill referenced in the above example would affect the value of this legislator's land. The legislator in this example must file a specific Declaration of Intent Form and declare an intention to participate or not participate.

(8) The legislator has an ownership interest in a hotel and makes disclosure of such in checklist category "(i) restaurants and lodging." There is a bill to allow video gambling in a few specific hotels, including the legislator's. Although the legislator has disclosed ownership in a hotel, the legislator could reasonably be expected to financially benefit from the bill in a way that only a few other individuals in the state would. The legislator must file a specific Declaration of Intent Form and declare whether the legislator will participate or will not participate.

(9) The legislator's spouse is a teacher in the state's public school system. The legislator could have elected to disclose this financial interest by checking checklist category "(n) education" and writing on the line below "My wife/husband is a public school teacher." Instead the legislator has chosen not to complete the optional checklist section of the Legislator's Financial Disclosure Form. There is a bill relating to teacher tenure. Because the legislator has made no disclosure of this financial interest, the legislator must file a specific Declaration of Intent Form and declare an intention to participate or not participate before voting on or participating in any official activity relating to this bill.

In adopting the Ethics Guidelines, the General Court has sought to balance the need of the public to know when a member may have a conflict of interest with the goal of providing a disclosure process that is clear and uncomplicated for members to use. The Committee recognizes that the application of any guideline to individual circumstances may pose questions not easily addressed in an advisory opinion which is general in nature. The Committee is available to provide advice with respect to specific situations as they arise.

2000 - #1 (September 13, 2000)

The Legislative Ethics Committee received a request for an interpretation as to the application of Section 4, VII (c) of the Ethics Guidelines as it applies to a legislator's participation in discussions before a state agency regarding a matter which affects the legislator's constituents generally and which could also affect the legislator's personal financial interests. The Committee held a public hearing to receive input on July 31, 2000, and issues the following opinion.

The Ethics Guidelines prohibit a legislator from threatening a state agency or its employees with reprisals or promised inducements of any kind in an attempt to influence agency decisions so as to obtain special personal benefits for the legislator, the legislator's immediate family, or certain constituents, which would not be available to others under similar circumstances (Section 4, II (c)). The Guidelines also prohibit a legislator from using his or her public position or office to obtain anything of value for the private benefit of the legislator or the legislator's immediate family (Section 4, III).

These prohibited activities, however, must be read in conjunction with Section 4, VII (c) which states that a legislator is not prohibited from advocating for a particular outcome on matters pending before a state agency when the legislator believes such a decision would benefit the general public or the legislator's constituents generally.

The inquiry to the Committee related to the legislator's participation in discussions involving the Department of Transportation over possible alterations to a highway along which the legislator's house is located. The participation has included attendance at meetings held by the state agency to solicit comment from area residents in association with a safety study requested by the legislator's town. The con-

clusions reached by the safety study could determine whether there are alterations to the segment of the highway located in the town, including the area immediately abutting the legislator's property, thus potentially affecting the value of the property.

In view of the above-referenced guideline provisions, the Committee concludes that, generally, whenever a legislator advocates on behalf of an issue that primarily benefits the general public, or the legislator's constituents, and which only incidentally benefits the legislator, there is no violation of the Guidelines. In any advocacy before a state agency, however, there can be no directly or indirectly implied threat against the agency. If there are issues with respect to the direct financial interests of the legislator arising from the legislator's official activities, the legislator must make an appropriate disclosure. The legislator should be particularly mindful of Section 4, II (d) of the Ethics Guidelines which states that legislators shall not "conduct private negotiations with a state agency in an attempt to obtain a decision on a pending matter which would result in special personal benefit to the legislator, to the legislator's immediate family, or to certain constituents which would not be available to others under similar conditions." Under no circumstances may a legislator use his or her position to obtain any greater value for the legislator's private benefit than a member of the public could normally obtain.

INTERPRETATIVE RULINGS

1995 - #1 (September 27, 1995)

In response to a request for an interpretative ruling as to the application of the Guidelines to contributions in connection with the campaign for Speaker of the House, the Committee unanimously determined, at its meeting on September 27, 1995, that the exception for contributions to political campaigns set forth in Section 4, VII(a) applies to the campaign for Speaker of the House, and accordingly, the limitations and prohibitions of the Guidelines do not apply. The Committee did, however, believe that this issue was one that deserved attention from the Legislature, as it appeared, from the public hearing conducted by the Committee, that such contributions are currently unregulated, unreported prior to the election, and not subject to any other oversight.

FILING PROCEDURE FOR DECLARATION OF INTENT

1) A Representative or Senator makes a "public announcement" either prior to or at the time of any "official activity."

   That public announcement could be the simple act of telling a newspaper reporter or telling the House or Senate clerk, or making a public statement to someone else.

   An official activity is defined as the conduct of a legislator during the performance of his/her duties. This includes, but is not limited to, introducing legislation, testifying before a committee, voting in committee or in the House, supporting or opposing legislation, etc.
2) Each declaration of intent HAS TO BE FILED with the House clerk or Senate clerk within 24 hours of the announcement. The forms are available from each clerk, either in the clerk's office or in the respective chambers.
3) Each clerk keeps a file of all signed declaration of intent forms.
4) Declarations of intent will be recorded in the House Journal or Senate Journal on roll call votes only, unless otherwise requested.
